Invitation to Coupeville Town Park Kitchen Shelter Renovation Dedication

May 31, 2017 at 5:00PM at the Park

The Coupeville Lions Club is honored to invite the members of your club to the dedication of our town's renovated Kitchen Shelter to our community and to the memory of our past club member, PCC Lion Rod Barnes.

We selected the renovation of the Shelter as our Lions Centennial Heritage Service Project because we believe the shelter was originally built about 80 years ago by the founding member of our club. After much use over the years, the shelter was much in need of repairs and improvements. We partnered with the Town of Coupeville to complete the work; the Town replaced the roof, and we replaced rotted wood, cleaned and painted inside and out, had a new electrical system installed, installed floor covering, and put in sinks and counters. The Shelter is now expected to last another 80 years.

Lion Rod Barnes was a long time member of our club and served many offices at the zone, district, and Lions International. His love of Lions, enthusiasm to serve others, and mentoring many new Lions has been missed since his passing. His numerous contributions served as an inspiration to us and we have dedicated our work on the Shelter in his name.

The dedication will be at 5:00pm on May 31<sup>st</sup> hosted by the Mayor of Coupeville, Lion Molly Hughes, with our club President, Lion Ricardo Reyes uncovering the plaque dedicating the Shelter to Lion Rod and the Coupeville Lions. A potluck dinner will follow, with time to socialize, to show off the Shelter, talk about Rod, and think about what our next Service Projects will be this coming year.

Please join us in this celebration to share with us friendship, food, and remembrances of Lion Rod Barnes. Please RSVP to our Club Secretary Sue Hartin at [sue.hartin@cfbt-us.com](mailto:sue.hartin@cfbt-us.com) with the expected number of guests.

Yours in Service,

---

President Ricardo Reyes
