Despite the winter weather, March was a great Coupeville Lions' month. Our Club stepped up with the funding so the Town can renovate the kitchen in the Rec Hall. We had an awesome new member Open House which is resulting in nine or more new members to help with our community service. Thanks to everyone who reached out to friends and neighbors to make this a successful membership drive. Ed Walker did a great job organizing the event. We won recognition at the MD19H Spring Conference, winning 1<sup>st</sup> place in competitions for Best Website, Best Club Brochure & Best Club Business Card (thanks to the graphics talent of 1<sup>st</sup> VP Joe Walck) and 2<sup>nd</sup> place for Best Scrapbook (thanks to Lion Paddy Roberts).

We entered four competitions and excelled! To top it off for the month, Lion Mayor Nancy Conard presented a Proclamation in the Town Council meeting making March 11<sup>th</sup> Lions Day. Achievements like these make it easier to attract new members!

Last month I mentioned that our Zone work project would be a Spring Cleanup at Deception Pass State Park on Saturday April 25<sup>th</sup>. We'll be sprucing up trails, parking areas and recreation areas. We'll also

take time out for a group picnic with hot dogs provided by the Central Whidbey Lions Club. This should be a fun event, so bring your wife or friends to share in a worthwhile service project. If you haven't been able to sign up at a meeting, but will be joining us, please let me know (678-6736). I need a head count for planning food. Bring your leather work gloves and garden gear; meet at 10 am at the parking lot just inside the main entrance. This is a great way to get some of our new members involved in a service project, so if you are sponsoring someone try to bring them along.

Please note the upcoming events for our Membership Meetings in April. Zone Chairman Ralph will be returning on April 15<sup>th</sup> to do the induction of all our new members. That is always fun to see new willing hands join us. Captain Gerald David, the base commander for NAS Whidbey, was supposed to be at the Club in March but he had to reschedule. He will instead be our program speaker on April 22<sup>nd</sup>. I've heard him and he'll make to glad to be living in a Navy community. We'll finish up the month with a "new member" talk and BINGO! Don't forget that growing jackpot that someone may win this time.

Let's have a great month. Serving with pride, Pres John
